### PROFESSIONAL SUMMARY

Frontend Developer skilled in JavaScript, React, and modern web technologies. Passionate about creating responsive, user-friendly interfaces with clean, efficient, and accessible code. A fast learner with a strong foundation in web development and frontend best practices, eager to contribute to innovative and collaborative teams.

### PERSONAL PROJECTS

---

#### Easyshop

- Built a responsive e-commerce UI using React.js, Swipe.js, and Tailwind CSS.
- Implemented features such as product listings and shopping cart.

#### Music Player App

- Developed a responsive and interactive music player application with Vanilla JavaScript, CSS, and HTML.
- Created features including audio controls, play modes, shuffle and smooth UI animations

### WORK EXPERIENCE

---

#### Frontend Development Intern - HNG

February 2025 - March 2025

- Collaborated with cross-functional teams to translate design mockups into responsive, pixel-perfect web pages using HTML, CSS, JavaScript and other frontend technologies.
- Optimized frontend performance by implementing best practices in code efficiency and asset loading, improving load times and user experience.

#### Software Development Trainee - 3mtt

June 2024 - December 2024

- Trained in algorithms, data structures, and web development.
- Developed simple web applications to apply core programming concepts in real-world scenarios.

#### Revenue Collection Agent - Avancee Pinnacle Ltd

August 2022 - January 2024

- Managed the revenue cycle, including the collection process, reconciliation, and customer service.
- Addressed customer inquiries and resolved issues to maintain high satisfaction levels.

### EDUCATION

---

#### University of Lagos - B.Sc Botany

January 2015 - February 2019
